Profile: I believe that people and organizations have talents. These talents have the right to be developed and multiplied. When talents are agile, you get Agile organizations and employees with more commitment. With this I achieve my personal mission: make the world a bit brighter than it is today. I like to let potential grow everywhere with Persistence, Energy and Passion, my personal take on PEP.

Work experience:

2010 - current **MartijnNas.com**
Specialized in developing the engagement of employees through agile coaching.

2024- current **TKP pensioen Agile coach**
As agile coach I am responsible for the coaching of 1 product line with a total of 8 Scrumteams. I contribute to the development of the WoW of TKP with the implementation of SAFe®@TKP.

2021 – 2023 **ASML: Agile (transformation) coach**
As an agile coach I was responsible for coaching 3 ART's that consisted of 16 Scrumteams. Started their agile Way of Working with 2 ART's and implemented SAFe. I contributed to the development of leadership within the IT organization, in particular the leading coalition of the ARTs.

2020 - current **WOSM(CH): Agile (transformation) coach**
Introducing their own AWoW (Agile Way of Working) for the WOSM (World Organization of the Scout Movement) with over 55 million members. This own way of working was developed to let volunteers collaborate optimally with the professionals within the organization.

2019 - current	<p>CGDIS (LUX)- Corps Grand-Ducal d'Incendie et de Secours Luxemburg Agile transformation & Leadership training for the national fire brigade and ambulance services. I developed the leadership training to introduce and shape working agile in the transformation to one single organization.</p>
2015 - current	<p>De Agile Testers: (DAT) Agile soft-skill training. DAT realized that soft-skills are one of the four knowledge pillars for a good agile tester. The training entailed a.o. DISC, different NLP techniques and Motivational Interviewing.</p>
2020 - 2021	<p>Telenet Belgium: Agile coach As agile coach I was responsible for coaching 4 domains and 56 Scrum teams in total. With LEGO® we developed a LEAT® program with an experience-based learning path for all co-workers, over 2500, so they could experience and practice the new AWOw.</p>
2019-2020	<p>PostNL: Agile coach CBS (BU Cross-Border-Solutions worldwide) As agile coach-coach I was responsible for educating and 6 internal coaches. As agile transformation coach I was involved with shaping the transformation that was started within PostNL.</p>
2013 - 2018	<p>KPN-consulting: <i>Coaching education for consultants in the agile framework.</i> Priority within this training was the pragmatic execution and the implementing of working agile. Coaches were a.o. trained in NLP techniques and motivational interviewing techniques. Consultants were subsequently coached at their workspace in their work as coach within an agile transformation. <i>Team coaching.</i> Within the training to become coach I supported multiple KPN consultants with their team coaching the scrum teams. The emphasis was often on the five principles of SCRUM: Focus, Courage, Openness, Respect and Commitment. <i>Individual coaching.</i> My individual coaching at KPN is characterized by the coaching within the workspace, the actual place it happens for the coachee.</p>
2016 - 2019	<p>Modine Since 2016 I have taught all leadership trainings within the Dutch branch. Leadership training with an emphasis on agility within a lean manufacturing organization. Modine is a supplier in the auto-motive industry and historically has a clear 'Rijnlands' steering model. This top-down organization is now working on a lean / agile transformation.</p>
Project 2016	<p>Whirlpool (Chicago) Creating a high-potential leadership program. The emphasis was on serving leadership for (future) managers. For Whirlpool, it was important that the agile leadership was experienced by the participants.</p>
Project 2015	<p>Specsavers Nederland Optimizing 'brand engagement' with the 1400 employees. Optimizing agility within retail.</p>
2007 – 2010	<p>Astuto Training & Advies/Share2Win (sold 2010) Training agency for a.o. UWV-WERKbedrijf.</p>
2006 - 2007	<p>Stage Entertainment Joop van den Ende</p>

2006	Office Depot Trainer Coach/Project Consultant
2003 - 2006	Parilia International B.V. Associate/Consultant
2002 - 2003	ABN AMRO Bank Customer Contact Centre Consultant
2001 - 2002	Office Depot Sales Executive
1998 - 2001	Unique employment agency Sales Executive
1989 - 1997	Holiday on Ice Skater/Performer
1992 - 1993	Medical corps, non-commissioned officer Military services

Project and work experience outside office hours

2018 - heden	Lead volunteer WOSM services The WOSM (World Organization Of the Scout Movement) is a youth organization of almost 60 million members worldwide and is proclaimed by the United Nations as the world's biggest informal learning platform. The world organization consists of 5 regions and 174 national scouting organizations. The team 'Service' consists of over 250 voluntary consultants and they support the national scouting organizations in questions out of actuality. https://www.scout.org/what-we-do/member-organizations/wosm-services
2018 - 2021	Agile testing days: speaker/keynote speaker Keynote about human behavioral styles within an Agile/SCRUM work environment. Voted top 10 speaker by the audience several times, see: https://www.linkedin.com/feed/update/urn:li:activity:6480453936435204096/
1999 – current	Trainer/coordinator training team As agile coach, introducing new training methodologies and organization of ScoutingAcademy 2010. I trained them to start working out of the need for learning instead of the offer of what can be learned. With this I made the executives responsible for their own success and experience in their learning. Eliciting responsibilities and stimulating accountability.
2017 - 2018	Meet-up Coach Lab: support Participating and supporting in specific NLP topics. Guiding coaches in exercises. https://www.meetup.com/Coach-Labs/
Languages	English, German, Dutch
Leisure time	Filming, diving, skiing, scouting, cooking and enjoying life to the fullest.
